3 meter/10-foot cable

ACC0233

Outstanding audio quality

with Philips transcription headphones

The lightweight Y-style headphones are designed to deliver excellent sound quality, with soft ear cushions for wearing comfort, and a hanging bracket that attaches the headset to a monitor.

Superior audio quality

- Professional headset that enables concentrated transcription in busy office environments
- Neodymium magnet enhances sensitivity and sound quality

For optimal results

- Lightweight design improves comfort for prolonged use
- Under chin style to fit all ears for better comfort
- 3 meter/10-foot cable for freedom to move about your desk area

No 1 in SPS global customer satisfaction survey 09/2015.

Highlights

Everything you need

Philips accessories are designed to help you make the most of your Philips dictation devices. They guarantee optimal results and ensure that your Philips products enjoy a long life.

Neodymium magnet

Neodymium is the best material for producing a strong magnetic field for greater sensitivity and higher overall sound quality.

Lightweight design

The durable, lightweight quality materials enhance comfort for extended wearing.

Under chin style

Designed for an under-the-chin fit for better comfort.

3 meter/10-foot cable

The 3 meter/10-foot cable gives you the freedom to move around your desk area without having to remove the headphones.
